State of Incorporation

Company Profile

We would like some information about your company and its structure. In addition, we are asking some questions about policies and procedures you may have in place around diversity, equity and inclusion as well as climate mitigation strategies. We are asking these questions for data collection purposes to better understand what actions companies are taking. Your responses will not impact the product vetting and licensing process.

- Yes
- No
- I don't know

Thank You!

Thank you for submitting your products for consideration of the Greenhealth Approved seal. At this time, we do not have standards established for this specific product or sustainability feature. However, we would be interested in reviewing your submission to better understand our capabilities of establishing a standard that would be appropriate for this category. Thank you for your patience as we do this review and we will reach out to you with additional information or questions as soon as possible.

If you have questions prior to us contacting you, please reach us at info@greenhealthapproved.org
